INSTRUCTION – 600.1 IGAEB

## **Drug, Alcohol and Tobacco Prevention, Health Education Policy\*\***

Students have a right to attend school in an environment conducive to learning. EHS will not tolerate the possession, selling or use of unlawful and harmful drugs (illicit drugs, nontherapeutic uses of prescribed drugs, misuse of solvents and other dangerous substances), alcohol or tobacco in the school, on EHS grounds or during EHS sponsored activities including athletic events, dances, field trips, etc.

After consulting with staff, parents and students, through such groups as community agencies and representatives from drug, alcohol or health service agencies, student councils, MADD, ministerial association, chamber of commerce, local school committee and the county youth services team, the Board will adopt a written plan for a drug, alcohol and tobacco prevention and intervention program.
