INSTRUCTION 600.2 IGBAB/JO

Education Records/Records of Students with Disabilities Policy**

Education records are those records maintained by EHS that are directly related to a student.

The primary reason for the keeping and maintaining of education records for students is to help the individual student in his/her educational development by providing pertinent information for the student, his/her teachers and his/her parents. These records also serve as an important source of information to assist students in seeking productive employment and/or post-high school education.

EHS shall maintain confidential education records of students in a manner that conforms with state and federal laws and regulations.
