INSTRUCTION 600.3 IIBGA

Electronic Communications System Policy

~~The EHS board is committed to the development and establishment of a quality, equitable and cost-effective electronic communications system. The system's sole purpose shall be for the advancement and promotion of learning and teaching.~~

The EHS electronics communications system will be used to provide statewide, national and global communications opportunities for staff and students and for the advancement and promotion of teaching and learning.

~~EHS does not provide internet access for personal use or personal electronic devices (HB 2426).~~

The ~~EHS~~ Executive Director will establish procedures for the use of EHS's electronic communications system including compliance with the Children's Internet Protection Act.

~~The p~~Procedures will be consistent with sound guidelines as may be provided by the education service district, the Oregon Department of Education and/or the Oregon Government Ethics Commission, copyright law, and will include a complaint procedure for reporting violations.

~~The EHS Executive Director will also establish procedures for use of EHS's electronic communications system to comply with copyright law.~~

Failure to abide by EHS policy and procedures governing use of ~~school~~EHS's electronic communication system may result in the suspension and/or revocation of system access. Additionally, student violations ~~will~~may result in discipline up to and including expulsion. Staff violations ~~may~~will also result in discipline up to and including dismissal. Violations of law ~~may~~will be reported to law enforcement officials and may result in criminal or civil sanctions. Fees, fines or other charges may also be imposed.
