INSTRUCTION – 600.7

Human Sexuality, AIDS/HIV, Sexually Transmitted Diseases, Health Education Policy**

EHS shall provide an age appropriate, comprehensive plan of instruction focusing on human sexuality, HIV/AIDS and sexually transmitted infections and disease prevention as an integral part of health education and other subjects. Course material and instruction for all human sexuality education courses that discuss human sexuality shall enhance a student's understanding of sexuality as a normal and healthy aspect of human development. A part of the comprehensive plan of instruction shall provide age-appropriate child sexual abuse prevention instruction for students through grade 12. EHS must provide a minimum of four instructional sessions annually; one instructional session is equal to 50 minutes. In addition, the HIV/AIDS and sexually transmitted infections and diseases prevention education and the human sexuality education comprehensive plan shall provide adequate instruction at least twice during grades 9 through 12.
