## **Immunization, Physical Examination, and Dental Screening Policy\*\***

### **Immunization**

Proof of immunization must be presented prior to the time of initial enrollment in EHS or within 30 days of transfer to EHS. Proof consists of a signed Certificate of Immunization Status form documenting either evidence of immunization or a religious, philosophical belief and/or medical exemption.<sup>1</sup>

### **Physical Examination**

EHS does not offer extracurricular sports as a part of its curriculum. As may be allowed by agreements between EHS and other schools, EHS students may be allowed to participate in extracurricular sports at other schools. EHS students who participate in extracurricular sports and their parent/guardian are responsible for complying with the policies and procedures of such school, including, but not limited to, submitting a School Sports Pre-Participation Examination Form.

### **Dental Screening**

EHS shall file in the student's dental health record any dental screening certifications and any results of a dental screening known by EHS. EHS will provide to the parent or guardian of each student, standardized information developed by the Oregon Health Authority's dental director regarding dental screenings, further examinations or necessary treatments and preventative care including fluoride varnish, sealants and daily brushing and flossing.

If EHS is causing the dental screening to be conducted, EHS shall follow the requirements of state law.
